Single-Source Solutions from Professional Electricians

EMCOR Services Shambaugh (ESS) offers single-source solutions for a wide range of electrical services— all provided by licensed electrical professionals.

From construction and replacement to repair and maintenance, you can count on us for exceptional quality and timely delivery on virtually any size electrical project.

End-to-End Electrical Expertise

ESS has experience working on a complete range of electrical systems for some of the region's most high-profile organizations. Our team of fully licensed commercial electricians and technicians are well versed in the latest tools, technologies, and equipment.

Our electrical service offerings include:

- » HVAC systems
- » Emergency power/UPS generator systems
- » Distribution systems
- » Electrical controls
- » Lighting systems
- » Electrical preventive maintenance
- » Repair, replacement, and retrofit projects
- » Fire alarm install and inspections
- » Access Control Systems

Maintaining Optimum Facility Performance

To help you keep your electrical system functioning its finest, ESS offers planned preventive maintenance programs customized to your unique needs. Whether servicing one lighting system or maintaining facility-wide building controls, our programs are designed to help you eliminate downtime and minimize repair costs.

And, if an unexpected outage or issue does occur, our team is ready to respond rapidly with 24/7/365 emergency service.
